Dear Mr. Zadunaisky:

Ref: Change of grading, injective dimension and dualizing complexes

Our referees have now considered your paper and have recommended publication in Communications in Algebra. We are pleased to accept your paper in its current form.

You will soon receive a series of emails explaining how to prepare your document for publication. To ease confusion, please wait for instructions.

Thank you for your contribution to Communications in Algebra and we look forward to receiving further submissions from you.

Sincerely,
Ivan Shestakov
Associate Editor, Communications in Algebra
